Mission Statement of St. John's UMC

The purpose of St. John's is to both evangelize and nurture. We are called to show God's love in our world by giving aid and by spreading the Good News of Christ. We in turn provide an atmosphere for nurturing where Biblical truths are shared enabling people to become spiritually enriched. By providing this, people will learn and through learning, become more effective witnesses.

I want to say thank you for the graduation gift! I was very thoughtful and it's going to good use!

Please so not leave boxes for apple dumplings at St. John's until after September 9th.
