Dear Church Family,

Thank you so much for your cards, support and prayers through my 11 weeks at reception and basic training! You will never know how much that meant to me. My next phase of training, AIT, (chemical operations) is about 12 weeks long. Everyone here tells me I'm crazy because the schooling for my job is very hard physically and academically. Every morning we run 6.5 miles up hill and then spend the rest of the day in classes.

Basic training ended up being the most difficult/easy thing I've done. The hardest part was being away from home, everything else for the most part wasn't too bad. I know God is with me every step of the way and I know I'll always have the love and support from everyone back home. My faith in the Lord has become stronger than ever the past few weeks and I can't wait to see how much more it will grow while I am here. I love and miss all of you guys! I hope to hear from you soon.

Love Always,
Michelle Waughen

St. John's

Sunday School 9:15am

Worship 10:30am

Mission Statement of St. John's UMC

The purpose of St. John's is to both evangelize and nurture. We are called to show God's love in our world by giving aid and by spreading the Good News of Christ. We in turn provide an atmosphere for nurturing where Biblical truths are shared enabling people to become spiritually enriched. By providing this, people will learn and through learning, become more effective witnesses.
