Mrs. McCormick,

I just wanted to send you a thank you. My parents told me you were the one heading up the care packages for the college students. I just wanted to send you a thank you for including me in that event. I'm not a student but I appreciated it just as much. Every little bit counts out here. Thank you again, everything was fantastic.

God Bless,

Ariel Wallis

Be still, and know that I am God.

### Mission Statement of St. John's UMC

The purpose of St. John's is to both evangelize and nurture. We are called to show God's love in our world by giving aid and by spreading the Good News of Christ. We in turn provide an atmosphere for nurturing where Biblical truths are shared enabling people to become spiritually enriched. By providing this, people will learn and through learning, become more effective witnesses.
