VBS

We had a fantastic week at SonSpark Labs learning about God's plan for us! This year we chose to donate our money to Alex's Lemonade Stand, which is a foundation for childhood cancer research. The boys and girls brought in a record amount of money this year! Including their daily coin collections and money from the lemonade stand at the carnival, we were able to donate \$773.71, which pays for almost 2 full days of research!! We couldn't be more proud of our lab assistants. We also want to say a big thank you to everyone that helped in any way to make the week a success!!

Mission Statement of St. John's UMC

The purpose of St. John's is to both evangelize and nurture. We are called to show God's love in our world by giving aid and by spreading the Good News of Christ. We in turn provide an atmosphere for nurturing where Biblical truths are shared enabling people to become spiritually enriched. By providing this, people will learn and through learning, become more effective witnesses.
