Clearances

Anyone needing clearances to work with children in our Sunday schools, Vacation Bible School, or just helping with children and youth. You are required by law to get your clearances. Due to the amount of time it takes to receive them back, it is advised that you get them now. This is an urgent issue that we have been requesting all of our volunteers to do since the January. It is time to get them.

Graduates

Please forward any information concerning anyone graduating from High School or college or any other venue of higher learning so we can recognize their achievement on Sunday May 31st during worship.

Rod & Karen Lynch

Hello! Grab your safety goggles and lab coats and mark your calendars for July 13, 2015- July 17, 2015 from 9-11:30 a.m.! It's time to start a new exploration with God at SonSpark Labs VBS. This year we will experience God's love for us in a scientific way as we try to figure out GP4U=J, or God's Plan for You is Jesus! We will be exploring the Bible as we learn about God's plan to make us, to be with us, for us to know him, to save us, and to love us forever. We are looking for scientists to help us prepare an exciting week full of experiments demonstrating God's unending love. We are also searching for young scientists ages 3 through those entering 7th grade willing to join in the fun! Please help us make God's love explode in our faith labs! If interested, please contact Shayna Heintzelman, Taryn Myers, or Pastor Mike.

Worship 10:30am

Our Mission Statement of St. John's UMC

The purpose of St. John's is to both evangelize and nurture. We are called to show God's love in our world by giving aid and by spreading the Good News of Christ. We in turn provide an atmosphere for nurturing where Biblical truths are shared enabling people to become spiritually enriched. By providing this, people will learn and through learning, become more effective witnesses.

Tuesday, May 5 at 6:30.

Please bring a dish to share.

Drink will be provided.

Come have a good time of fellowship.
